Melissa Bourbon, the author of the Magical Dressmaking Mysteries (A Killing Notion, A Custom-Fit Crime, Deadly Patterns), sometimes answers to her Latina-by-marriage name, Misa Ramirez. I have really enjoyed Melissa Bourbon's A Magical Dress Making Mystery series since I found Book#1, Pleating For Mercy. A little paranormal, a little magic and great murders; all done with fashion designing in a unique Texas style. Entertainment on many levels and can't put it down murder! This is a must do series, even if you don't live in Texas. Praise for the Magical Dressmaking Mysteries "A seamless blend of mystery, magic, and dressmaking."—Jennie Bentley, national bestselling author of the Do-It-Yourself mysteries "Fashion and foul play—all sewn together by a wise and witty heroine."—Award-Winning Author Hank Phillippi Ryan
