Color me all sorts of impressed. Alien Contact for Kid Sisters is a solidly written book. The main character, Marianne, is battling a mental illness and the author makes sure its not magically righted or brushed aside instantly. Marianne Harmon is sick and tired of being just the kid sister of the famous queen of Kwadra Island. Although she daydreams about being a warrior, when rebels bomb the royal ball she's shunted to one of the many tunnels that honeycomb Kwadra, wher...
