BLS Study Guide: CPR Review. Are you attending one of our upcoming BLS CPR Classes? Do you want to be prepared? Here is a way you can study before your upcoming class or to review your skills after the course. Learn more about the American Heart Association's efforts to reduce death caused by heart disease and stroke. Also learn about cardiovascular conditions, ECC and CPR, donating, heart disease information for healthcare professionals, caregivers, and educators and healthy living. We're hitting the road to teach people to save lives with Hands-Only CPR. Check out the Mobile Tour page to see if we're coming to a city near you! The below American Heart Association courses are appropriate for nurses, nursing students, doctors, physical therapists, EMTs, paramedics, firefighters, dentists (receive CE credits) or anyone in the medical or healthcare field.
