

Download Amputated Lives Coping With Chemical Sensitivity

This book contains chapters on the health problems affecting the workers who helped clean up the Exxon Valdez oil spill, the soldiers who developed Gulf War Syndrome in the 1991 war, New Yorkers exposed to the toxins released by the World Trade Center collapse and fires and residents of FEMA trailers post-Katrina. Amputated Lives: Coping with Chemical Sensitivity by Alison Johnson Chapter 2 The Elusive Search for a Place to Live Chemically sensitive people face a difficult struggle to find a place to live In her book Amputated Lives: Coping with Chemical Sensitivity, Alison Johnson brings to life a disease that affects millions of Americans. It is a disease that is not understood by physicians caring for these individuals. From the foreword by L. Christine Oliver, M.D., Harvard Medical School. www.alisonjohnsonmcs.com Alison Johnson reads excerpts from her book about multiple chemical sensitivity.
