See all Biology resources » See all Human, animal and plant behaviour resources » Related discussions on The Student Room [Exam Jam on TSR] The Ultimate All-Day Chemistry Revision ...A treasure hunt style activity. Students stick the body template in their book and then hunt round the room for the information to help them annotate it. I went for a Hca job today and failed at the first hurdle (numeracy and literacy test). I am very disheartened about this being I have 3 years hospital experience and nvq 2 and 3. The International Baccalaureate® (IB) offers four high quality international education programmes to more than one million students in more than 146 countries.
