And Mary Lindsey did him proud with "Ashes on the Waves", a book full of ghosts, monsters, mobs, and the question: what makes us human? Ashes on the Waves takes place on an island that is set apart in time in many ways. The people who live on the island of Dòchas are largely superstitious, old fashioned and small minded. They have a crowd/mob mentality and believe Liam, the main character, to be possessed by a demon. In fact, Liam himself is unsure of what exactly he is. Ashes on the Waves A modern reimagining of Edgar Allan Poe's tragic poem, "Annabel Lee." A romantic potpourri of doomed amour, Celtic lore and mystery-laden suspense.
