

Download Autistic Children A Guide For Parents Professionals 2nd Edition

Autism is a developmental disorder characterized by difficulties with social interaction and communication, and by restricted and repetitive behavior. Parents usually notice signs during the first two or three years of their child's life. The term "autism" refers to a cluster of conditions appearing early in childhood. All involve severe impairments in social interaction, communication, imaginative abilities, and rigid, repetitive behaviors. *The Autistic Brain - (Helping Different Kinds of Minds Succeed)* By Dr. Temple Grandin & Richard Panek. This book explains the history of the autism diagnosis and has an extensive section on sensory problems. *Stepping Stones to Caring for Our Children, 3rd Edition Compliance/Comparison Checklist - PDF. Suggestions for Use of the Compliance/Comparison Checklist:*
