

Download Basic Steps In Planning Nursing Research From Question To Proposal

Basic Steps in Planning Nursing Research: From Question to Proposal is the perfect introduction to the research process. It details the development of an effective research plan, and guides readers through all stages of the process from finding a research topic, to the final written proposal. Explains how a theory is used to frame research studies. Steps for finding a theory and how to align theory in a research study are shared. Hier sollte eine Beschreibung angezeigt werden, diese Seite lässt dies jedoch nicht zu. In South Africa, there appears to be poor understanding about using a systematic review as an acceptable research method in post-graduate nursing education.
