

Download California Unemployment Handbook

A listing of commonly used unemployment insurance forms and publications. Provides a listing of informational sheets on unemployment insurance programs. In California—as in every other state—employees who are temporarily out of work through no fault of their own may qualify to collect unemployment benefits. Labor Market Information. The Labor Market Information Division (LMID) is the official source for California Labor Market Information. The LMID promotes California's economic health by providing information to help people understand California's economy and make informed labor market choices. California Workers Compensation Law Book, California Unemployment Law Book
