I've been interested in photography for over twenty years but became especially passionate about DSLR's over the last five. I've always shot with Nikon having first been introduced to the brand in my professional eye care practice. Canon has brought the best of the EOS-1D Series of digital cameras into one phenomenal model: the flagship of the EOS line, the EOS-1D X DSLR camera. disclaimer canon u.s.a.,inc. makes no guarantees of any kind with regard to any programs, files, drivers or any other materials contained on or downloaded from this, or any other, canon software site. Sheer Performance Champion: Nikon 14-24mm f/2.8. This zoom simply can't be beat. It even out-shines all of the 14mm primes on the market, including Nikon and Canon's own versions.
