CASES IN FINANCIAL REPORTING, 1E contains new, comprehensive and engaging cases on topics for accounting and related courses. Helpful background notes accompany cases on key topics such as fair-value reporting, discounted cash flows, and retiree benefits. We hold auditors, accountants and actuaries to account for the quality of their work. See all our cases "Financial Reporting and Analysis" by Revsine, Collins, and Johnson is a well written book, but in my opinion, because of Prentice Hall's unwillingness to publish the Student's Solutions Manual, I cannot recommend this book to those who want to learn, or relearn, on their own, the subject that it teaches. Financial Reporting Lab. The FRC is committed to improving the effectiveness of corporate reporting and companies and investors tell us of significant untapped opportunity to improve so that it offers a clearer understanding of the underlying performance of a company.
