

Download Castles Of Steel Britain Germany And The Winning Of The Great War At Sea

In a work of extraordinary narrative power, filled with brilliant personalities and vivid scenes of dramatic action, Robert K. Massie, the Pulitzer Prize-winning author of *Peter the Great*, *Nicholas and Alexandra*, and *Dreadnought*, elevates to its proper historical importance the role of sea power in the winning of the Great War. The main title of Robert K. Massie's *Dreadnought – Britain, Germany, and the Coming of the Great War* is a bit deceptive, the subtitle is what the book is truly about. The Battle of Jutland (German: Skagerrakschlacht, the Battle of Skagerrak) was a naval battle fought between Britain's Royal Navy Grand Fleet, under Admiral Sir John Jellicoe, and the Imperial German Navy's High Seas Fleet, under Vice-Admiral Reinhard Scheer, during the First World War. The pursuit of Goeben and Breslau was a naval action that occurred in the Mediterranean Sea at the outbreak of the First World War when elements of the British Mediterranean Fleet attempted to intercept the German Mittelmeerdivision consisting of the battlecruiser SMS Goeben and the light cruiser SMS Breslau.
