Obituaries for the last 7 days on Your Life Moments. As we know, the brain is malleable. Through environment, we can make the brain “stronger” or make it “weaker”. I truly believe that, despite all our greatest intentions, we unfortunately remold our children’s brains in the wrong direction. Watch breaking news videos, viral videos and original video clips on CNN.com. As the child of Ethiopian immigrants who migrated to the United States during the mid 1980s, Sinna Habteselassie's family settled just south of Dayton, Ohio in Centerville where she was born and raised.
