AAPC's CPB™ Certification Study guide is specifically designed to help individuals prepare for the CPB™ exam. The CPB™ study guide contains fourteen chapters to review each section of the CPB™ exam in detail and provides practical examples, sample questions, and test taking techniques. AAPC's CPMA® Certification Study guide is specifically designed to help individuals prepare for the CPMA® exam. Five chapters will guide you through a review of medical record standards and documentation guidelines, coding and documentation compliance, coding and reimbursement concepts, audit scope and statistical sampling methods, medical ...In my opinion, this book does not adequately cover the exam. I took the foundation exam 2 weeks ago and that study guide from John Watts covered everything you need to know for that exam, however this book does not. The Certified Professional Biller (CPB) Exam Study Guide - 2018 Edition includes questions, answers, and rationale updated as of January 1st 2018!
