

Download Criteria Corp Sample Cognitive Test

The Criteria Cognitive Aptitude Test, or CCAT, measures your ability to problem solve, use new information, and think critically. Why do employers want to learn about your cognitive ability? What types of employee assessments do you offer? Criteria Corp specializes in pre-employment tests, specifically personality assessments, aptitude assessments, and skills assessments. This article presents a review of the Differential Ability Scales-Second Edition (DAS-II), an individually administered cognitive test battery, designed to evaluate children ages 2 years 6 months to 17 years 11 months. Intersecting pentagon copying and clock drawing test in mild and moderate Alzheimer's disease
