Long before the cupcake craze was in full swing, I was baking cupcakes. A high school intern in Nashville helped me bake, decorate, and then deliver those cupcakes at the end of each testing day to St. Luke's Community House in Nashville where they were placed on food trays for the senior mobile meals program. Cupcakes From The Cake Doctor has 805 ratings and 25 reviews. M. E. said: I don't often give cookbooks a 5 star, just because many of them have only a fe... Just like the rest of the Cake Doctor series, the results are awesome! My wife loves this book as it provides simple recipes to result in great cupcakes. That's where Anne Byrn, newspaper journalist and experienced cook, was with her busy young family when she reached for a box of cake mix to save time.
