I read a lot of books, mostly fantasy and science fiction, but lately more and more video game adaptations. Most of these books succeed in keeping my attention, and I actually finish a lot of them in a day or two. Deus Ex: Human Revolution ist ein Actionspiel mit Rollenspiel-Elementen für PC, Mac, Xbox 360, PlayStation 3 sowie Wii U und der dritte Titel der Deus-Ex-Computerspielserie. Deus Ex: The Fall is an action role-playing video game developed by N-Fusion Interactive under the supervision of Eidos Montréal. A spin-off of the Deus Ex series, the game was published by Square Enix for iOS in 2013 and Android and Microsoft Windows in 2014. As far as ambient/cyberpunk style electronic soundtracks go, Deus Ex Human Revolution is certainly one of the best. I've been a fan of the main theme song "Icarus" since the debut of the amazing cinematic trailer from Square and Eidos from E3 '10, and have been eagerly anticipating the soundtrack.
