Behavior Therapy A Pragmatic Parent's Guide to Behavior Therapy for ADHD. ADHD experts agree that the most effective pediatric treatment plan includes medication paired with behavior therapy. Before, we didn't know how to control pregnancy, we didn't have the education, and people in the area were having nine or ten children. We have 18 families and no one has more than three children. Social and Job Skills are the Focus of Center4SpecialNeeds Programs. The Center4SpecialNeeds, a nonprofit dedicated to providing resources, education and supports for children with developmental disabilities and their families, has sessions of two popular programs beginning in January. This essay delves deeply into the origins of the Vietnam War, critiques U.S. justifications for intervention, examines the brutal conduct of the war, and discusses the antiwar movement, with a separate section on protest songs.
