Read scary ghost stories and supernatural folklore from the United States, Canada and Mexico. The following is a list of Doctor Who televised stories. Names used are those given by the BBC as of 2017. For the 1963 version of the programme, this means that the list employs the DVD release name in most cases, which may differ from some titles, particularly stories from 1963-1965. GHOST LIGHT is amazing. Watch it once and you'll be befuddled. Watch it twice and you'll be astounded. At the very least it's one of the more complex stories they ever did, simply because they don't stop very often to explain what's going on.
