

# **Download Drying Food For Profit A Guide For Small Businesses Producers Guide**

Food businesses that trade at temporary events must ensure that their details have been notified to their local council prior to commencing trading for the first time. FIAL is an industry-led, not-for-profit organisation focused on growing the share of Australian food in the global marketplace. We work with the food and agribusiness industry by:

- Home freeze drying - All the information (including the messy bits) you need to decide if a home freeze fryer is right for your food preservation needs.
- Chapter 5 - Modern Insect-Based Food Industry: Current Status, Insect Processing Technology, and Recommendations Moving Forward
