

Download Easy Homemade Comic Book Costumes

A superhero isn't always a character from the pages of a comic book with super powers. That's still the most common picture of a superhero in the public's mind, but in the present day, superheroes also come from movies and video games. DIY Marvel Superhero Costumes: Check out this collection of Marvel costumes and props! You'll find everything you need to be a Marvel Superhero...or super villain. What others are saying " Comics Con anywhere!" "One of my costume ideas for this year! Officially my Halloween makeup" "I keep seeing this costume idea. With a whole lotta blue body paint and some crazy contacts, this can be an easy two-step costume — but pants and a shirt are also probably good ideas! (via Bazinga Cosplay/Deviant Art) 4.
