## **Robert Augustus Masters**

Robert Augustus Masters was born in Victoria, British Columbia in 1947. From an early age he was an avid artist, but in high school switched to the sciences, with which he stayed until he found himself at the age of 21 in a PhD program in biochemistry. "In Emotional Intimacy Robert Masters offers a primer on emotions - from the most primary to the most subtle. Whether you are currently in a relationship or wish to be in one, this is a very worthwhile book to pick up and select a chapter from which to taste, digest, transform, and heal. As a couples therapist, I will definitely recommend this book to my clients." In Emotional Intimacy Robert Masters offers a primer on emotions - from the most primary to the most subtle.
