An Essay In Rationality And Religion

Faith and Reason. Traditionally, faith and reason have each been considered to be sources of justification for religious belief. Because both can purportedly serve this same epistemic function, it has been a matter of much interest to philosophers and theologians how the two are related and thus how the rational agent should treat claims ...Fideisms Judaism is the Semitic monotheistic fideist religion based on the Old Testament's (1000-600 BCE) rules for the worship of Yahweh by his chosen people, the children of Abraham's son Isaac (c1800 BCE).Immanuel Kant (1724–1804) is the central figure in modern philosophy. He synthesized early modern rationalism and empiricism, set the terms for much of nineteenth and twentieth century philosophy, and continues to exercise a significant influence today in metaphysics, epistemology, ethics, political philosophy, aesthetics, and other fields.Causality (also referred to as causation, or cause and effect) is what connects one process (the cause) with another process or state (the effect), [citation needed] where the first is partly responsible for the second, and the second is partly dependent on the first.
