FAIR: The First American Internet Revolution is set in the near future of our imagination. The political philosophy of FAIRism created an American political world where our democratically elected politicians are finally accountable to us in the 99%, the lower ninety-nine percent of the country, instead of the TWOP, the Top Wealthiest One Percent. This book teaches you how "FAIRism" can defeat scourge of "TRUMPism" "First American Internet Revolution" is an American Utopian allegory set in the near future of our imagination.
