

Download Handbook Of The Sociology Of Medical Education

Bernice A. Pescosolido Jack K. Martin Jane D. McLeod Anne Rogers Editors Handbook of the Sociology of Health, Illness, and Healing A Blueprint for the 21st Century This bar-code number lets you verify that you're getting exactly the right version or edition of a book. The 13-digit and 10-digit formats both work. Sociology is the scientific study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution. The Department of Sociology at Boston University fosters teaching and research that expand knowledge of human social behavior. By introducing students to the art and science of sociology, including its theories and methods, the Department contributes to the education of active, critically
