Poems Every Child Should Know [Various, Mary E. Burt] on Amazon.com. *FREE* shipping on qualifying offers. A collection of poems that are good reads for children and, indeed, should be read; it is a great introduction to poetry and a greater awareness of English literature. Everyone knows and celebrates mythic heroes and famous leaders. But then there are those everyday heroes who just make a difference when the need suddenly arises. We've rounded up 21 children's books that every black kid needs to read (or have read to them). Whether it's learning about adoption, how to handle bullies or a little girl's magic puffballs ...Regrets are pointless, but if for some reason I was put into a time machine and found myself 18 years old again this is what I'd be glad to know.
