Ancient Egyptian Treasures In The Grand Canyon? Suppressed Archeological Information and Metaphysical Paradox ? By Barry McEwen and Michael Lawrence Morton Ancient American describes the true prehistory of America's continent, regardless of presently fashionable belief-systems, and provide a public forum for certified experts and non-professionals alike to freely express their views without fear nor favor. Later excavations also revealed a model tabernacle, incense burners, and more artifacts used in ancient banquets. Serhal explained , “Active feasting activity took place within the temple as shown by the quantity of local pottery as well an assemblage of Greek banquet wares, including plates manufactured exclusively for export to the Orient.” When Europeans arrived in the New World, they did not only kill people with war, slavery and disease, they also attempted to destroy the cultures of the native peoples.
