The Shark Genius Steam Pocket Mop System is our most advanced and easiest-to-use floor cleaning system ever. Featuring both a steam mop and a Spray Pocket mop, the Genius system is the right solution for all your cleaning needs, from everyday quick cleanups to whole-room deep cleaning. The Shark S6001UK steam mop uses double-sided pads, so when one side is dirty you can flip the head over and carry on cleaning. You don't need to fiddle around to remove the used pad either, as it comes off at the click of a button - so you can pop it in the washing machine without even touching it.
