

# Download Human Legacy Modern Era Chapter 14

Modern history, the modern period or the modern era, is the linear, global, historiographical approach to the time frame after post-classical history. Human sacrifice is the act of killing one or more humans, usually as an offering to a deity, as part of a ritual. Human sacrifice has been practiced in various cultures throughout history. I. Introduction “Never in the history of the world was society in so terrific flux as it is right now,” Jack London wrote in *The Iron Heel*, his 1908 dystopian novel in which a corporate oligarchy comes to rule the United States. An introduction to how issues about Africa are covered, the legacy of colonialism and some additional context for many of Africa’s woes.
