

# Download Kildar Paladin Of Shadows Book 2

I have read the entire series and this week, while contending with a bout of flu, re-read "Kildar" as a kind of book version of comfort food. I liked just getting warm in my blanket and relaxing with a familiar book. This item: Kildar (Paladin of Shadows Book 2) by John Ringo Mass Market Paperback \$7.99 Only 9 left in stock (more on the way). Ships from and sold by Amazon.com. Kildar (Paladin of Shadows Book 2) - Kindle edition by John Ringo. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading Kildar (Paladin of Shadows Book 2). Kildar is the second book in John Ringo's Paladin of Shadows series and make no mistake the military adventure/porn format is still there in full force. What makes this book stand out from the previous book is that it seems like mostly exposition for the books that come after it. There is a good deal of action in the story, but it does not throw you headlong into it like the first one did.
