

Download Lifestyle Illustrations Of The 1960s

An inspirational sourcebook for contemporary designers and fans of 1960s culture, *Lifestyle Illustration of the 60s* provides a wonderful, nostalgic adventure into an aspirational world of stylishly sophisticated living, revealing just how much life has changed in the intervening decades. All of those archetypes, and many more, are on full display in *Lifestyle Illustration of the '60s*, a brick-like volume of vintage magazine illustrations expertly selected by Rian Hughes. *Lifestyle Illustration of the 1960s* is a glorious celebration of the Swinging Sixties—a groundbreaking decade heralding a new creativity, freedom and liberation. This lavishly illustrated book surveys how those years were depicted by illustrators for some of the UK's best-selling magazines. YMCMB Ep. 3 - Rich Gang - Flashy Lifestyle "BTS of Lifestyle ft. Young Thug & Rich Homie Quan"
