Warfare And History

Modern history, the modern period or the modern era, is the linear, global, historiographical approach to the time frame after post-classical history. The history of guerrilla warfare stretches back to ancient history. While guerrilla tactics can be viewed as a natural continuation of prehistoric warfare, the Chinese general and strategist Sun Tzu, in his *The Art of War* (6th century BCE), was the earliest to propose the use of guerrilla warfare. This directly inspired the development of ...*Heroes and Villains - A little light reading*. Here you will find a brief history of technology. Initially inspired by the development of batteries, it covers technology in general and includes some interesting little known, or long forgotten, facts as well as a few myths about the development of technology, the science behind it, the context in ...Mahapadma Nanda became King of Magadha and created what looks like the first "Empire" in Northern India. While Indian history begins with some confidence with the Mauryas, the Nandas are now emerging into the light of history with a little more distinctness.
