Richard Marshall is my man, no ifs butts or maybes, and he solidified my Richard-love in More Than Most. Protective, sexy, older Richard and the two loves of his life, Luke and Matthew. May be read as a standalones, though it is recommended to read in series order. Book 1. More Than This More Than This is book one in the More Than series by Jay McLean. This book was recommended to me by two different friends but I hadn't really read many reviews so it took me by completely by surprise. I WAS NOT prepared for all the feels, and let me tell you, there are plenty. And the hotness factor, oh my gosh, was off the charts.
