Someone resorts to murder and mayhem in the first mystery in the New York Times bestselling Book Retreat series... Tucked away in the rolling hills of rural western Virginia is the storybook resort of Storyton Hall. Ellery Adams has written over thirty mystery novels and can't imagine spending a day away from the keyboard. Ms. Adams, a native New Yorker, has had a lifelong love affair with stories, food, rescue animals, and large bodies of water. There are 22768 entries in the list. This list was started after I noticed my first MPAA certificate number, which was in the ending credits of the movie Tron, somewhere around 1995.
