It is a detailed study of the Muslim slave system in medieval India. It was published in 1994. This book is an eye opener because when you think about slavery It's always been portrayed as Arab on African , however it's on the other side of the world in the land of India. This is now slavery from Arab, Turk on India and it's war against the Hindu population. What an eye opener .Back of the Book. Slavery originated during the age of savagery and continued into ancient civilizations. Slavery was there in Babylon and elsewhere in Mesopotamia; it was widely prevalent in ancient Egypt, Greece and Rome, centuries before the coming of Christ.
