Belief in the oracle has been a key concept that has spurred many of the most famous people in history to achieve seemingly impossible goals. The divinations that were ascribed to oracles were not viewed as mere ramblings or coincidence.[*]Director, Firearms Research Project, Independence Institute, Golden, Colorado; Associate Policy Analyst, Cato Institute, Washington, DC; Technical Consultant ...Risk is the possibility of losing something of value. Values (such as physical health, social status, emotional well-being, or financial wealth) can be gained or lost when taking risk resulting from a given action or inaction, foreseen or unforeseen (planned or not planned).
