

Download Nclex Rn Review Nsna S Nclex Rn Review 5th Edition

I received this book today, and I was very disappointed to see that where Judith Miller's name is very obviously listed in the summary on Amazon, she is just one of many contributors to prior editions of this book. NCLEX High-Risk: The Disaster Prevention Manual for Nurses Determined to Pass the RN Licensing Examination provides senior nursing students and graduate nurses, who are at risk of failing the NCLEX-RN, with proven methods to maximize their chances of success.
