

Download Potato Salad Recipes Delicious Beginners

We love sweet potatoes and they are terrific when combined with plain white ones, especially in an old fashioned potato salad. This one has mayonnaise, a bit of mustard, celery, hard-boiled eggs, and a smidgen of chopped onion. This potato salad recipe is utterly delicious. Jump to the Easy Potato Salad Recipe or watch our quick video showing how we make it. Take a read below; we've shared our best tips for making potato salad including what potatoes to use, how to cook them and suggestions for making it. The trick to good potato salad is only to mix once – and add fried onions, if you're not going to put the onions in then I'm not sure its worth the fuss. This is anything but your ordinary potato salad. This recipe is an extract from our new cookbook *delicious. daily* (HarperCollins, \$45), out October 30.
