Re-Bound: Creating Handmade Books from Recycled and Repurposed Materials [Jeannine Stein] on Amazon.com. *FREE* shipping on qualifying offers. Re-Bound is a beautiful book on bookbinding with a fun green twist-all the projects use recycled and upcycled materials. This book shows you how to take everyday materials from around the houseIf you're like us, you get tired of seeing the same ol' same ol' lamps in office environments. Sigh. Just because it's a work environment doesn't mean it has to be boring!Instead of tossing out that pile of old magazines you have lying around, turn them into one of the Top 10 Recycled Magazine Crafts! Not only is making crafts from recycled material fun and easy, its also kind to the environment."Who wouldn't immediately fall in love with a crafty author (Re-Bound: Creating Handmade Books with Recycled and Repurposed Materials, 2009, was her first) whose first sentence proclaims, 'Books are my passion'?
