

Download Reckless Ty Hauck 3 Andrew Gross

Another excellent thriller/mystery novel by Andrew Gross. Ty Hauck has a job at Talon Security, when he hears that a friend from his past has been murdered in a breakin along with her husband, a well respected trader on Wall Street. However, it comes out shortly thereafter that the trader had engaged in financial fraud. Ty goes to the house and immediately suspects that the breakin is not what it seems. When a suicide occurs of another influential trader, who also apparently made illicit trades. This, the third in the Andrew Gross Ty Hauck series was a yawner. I really liked the other two, but maybe the subject matter (banking and financial crimes), did not keep my interest. I read a lot of books and this one took forever to finish...I kept falling asleep!
