Return on Principle: 7 Core Values to Help Protect Your Money in Good Times and Bad 5 out of 5 based on 0 ratings. 1 reviews. Add tags for "Return on principle : 7 core values to help protect your money in good times and bad". Be the first. My adult son suggested I buy Return on Principle as a way to revisit my retirement plans with a fresh outlook. It is an enjoyable read, so much so that I didn't realize the stories and focus on values was providing instructional information. It's written in a very casual style for a book on money. I'm just starting to make some changes now, but I feel much more confident than I have in 10 years that I won't lose money and will have what I need when I retire.
