Rome (Oxford Archaeological Guides) [Amanda Claridge, Judith Toms, Tony Cubberley] on Amazon.com. *FREE* shipping on qualifying offers. Capital and showcase of the Roman Empire and the center of Christian Europe, the city of Rome is the largest archaeological site in the world. In the new Second Edition of her popular handbook This is my third Filippo Coarelli archaeological guide for Rome. As is the case with updated encyclopedias and comprehensive guides to anything, new information demands that there be some textual trimming and compacting of past editions for the sake of keeping the physical end product weildy. Find It! When searching databases, the button, when present, can be used to locate an item in the Library Catalog, to gain access to the full-text of an article, or to send an interlibrary loan order. Rome is a huge city with several district articles containing sightseeing, restaurant, nightlife and accommodation listings — have a look at each of them.
