This bar-code number lets you verify that you're getting exactly the right version or edition of a book. The 13-digit and 10-digit formats both work. An editorial collaboration between Larry Brooks and Art Holcomb. Click [HERE](#) for a post that explains the mission of this website and the differentiating perspective behind it. Larry Brooks' books have always been my go-to for understanding how to construct a plot. His "Story Engineering" was the first writing book I purchased, and is one of twelve I've kept of the hundred or so I've borrowed from the library or purchased. Introducing The Beat Sheet. Lesson 4.2 – The Beat Sheet. You've heard (read) me use this term before. The "beat sheet" is a way to sequence your story, using bullets instead of whole sentences or paragraphs.
