There some explain about the types of books ... TB = Test Bank. Sm = Solution manual. IM = Instructor manual

- What is the Test Bank (TB)? An ever-expanding collection of previously administered exams, quizzes, and other assessment measures in a wide range of courses made available for current students as study aids.

A blood bank is a center where blood gathered as a result of blood donation is stored and preserved for later use in blood transfusion. The term "blood bank" typically refers to a division of a hospital where the storage of blood product occurs and where proper testing is performed (to reduce the risk of transfusion related adverse events).
