

Download The Creative Attitude Learning To Ask And Answer The Right Questions

Choosing Questions "A prudent question is one half of wisdom." ~ Francis Bacon. Ask a specific question if you want to hear a specific answer. What kind of questions prod creative responses? How will my students' thinking habits differ if I designed my questions to have more than one correct answer? Probing questions are good for: Gaining clarification to ensure that you have the whole story and that you understand it thoroughly. Drawing information out of people who are trying to avoid telling you something. Hackers solve problems and build things, and they believe in freedom and voluntary mutual help. To be accepted as a hacker, you have to behave as though you have this kind of attitude yourself.
