“Intensely moving. [An] exceptional novel.” —Boston Globe A poignant and magical story set in eighteenth-century England, *The Elephant Keeper* by Christopher Nicholson is the tale of two baby elephants and the young man who accidentally finds himself their guardian. Had Christopher Nicholson simply tried to write a historical novel of the 18th century, critics probably would not have liked his book quite so much. A captivating true story of loyalty, friendship, and high adventure that spans several decades and three continents, *Modoc* is one of the most remarkable true stories ever told, perfect for fans of *The Zookeeper's Wife* or *Water for Elephants*.
