In the Pride Lands of Africa, a pride of lions rule over the animal kingdom from Pride Rock. King Mufasa's and Queen Sarabi's newborn son, Simba (whose name is Swahili for lion), is presented to the gathering animals by Rafiki the baboon (with the colorful facial marking of a mandrill) who serves as the shaman and advisor. The kids love it! I was happily surprised to see that lyrics are included (including Rafiki's Swahili lyrics with translations to English). This added a new perspective of the production that I could reflect on, but it was really a gift for the kids.
