Let's face it, this is what traders and potential traders want to know—"How much money can I make as a day trader?" Take a bite out of the markets with the Naked Trader! This book is for anyone who really wants to consistently make money trading shares. Trading and investing can be tough – most fail. The stock (also capital stock) of a corporation is all of the shares into which ownership of the corporation is divided. In American English, the shares are commonly called stocks. A single share of the stock represents fractional ownership of the corporation in proportion to the total number of shares. A trader who expects a stock's price to increase can buy a call option to purchase the stock at a fixed price ("strike price") at a later date, rather than purchase the stock outright.
