It is estimated that one of every three married couples ...I have read 100's of books and articles about maintaining your sexual relationship in marriage and this book has one of the best sections of describing the differences in the way men and women relate to sex. So, you haven't had much sex with your spouse lately, huh? How much sex is normal? Well, one in five couples are living in "sexless" marriages, sex experts say, meaning having sex fewer than 10 times a year. A sexless marriage is a marital union in which little or no sexual activity occurs between the two spouses. The US National Health and Social Life Survey in 1994 (Laumann et al. 1994) found that 2% [clarification needed] of the married respondents reported no sexual intimacy in the past year.
