

Download Vatican Council Ii More Post Conciliar Documents Vol 2 10th Print

In 1966 I was happy to acquire the Abbott-Gallagher paper edition of The Documents of Vatican II. It contained the actual text of the 16 Council documents, with an Introduction and Response for each one, as well as the Papal speeches convoking, opening and closing the Council, and an exhaustive 44 page index. "The Church as Koinonia of Salvation: Its Structures and Ministries" (2004) from the Lutheran-Catholic Dialogue in the United States. Very few Catholics have ever been willing to open this teaching, let alone read it in its entirety, but no matter how few will seek the truth, I still write this for their sakes. NOTE: Latin is the official language of the Roman Catholic Church. Church Documents are usually published first in Latin, and then translated from the Latin into other languages.
